**Stroll Through a Garden of Love with a Magical Dinner at FINDS (9, 10 and 14 February 2018)**

True to its Nordic roots, FINDS presents an enchanting dining experience with a little help from Freyja, a revered goddess of love from Norse mythology. Acclaimed Executive Chef Jaakko Sorsa has created a six-course menu of comforting, seafood-based Nordic cuisine, each paired with a vibrant selection of edible flowers to form this year's dining theme: Freyja's Garden. Using the finest handpicked edible flowers harvested in southern Finland, these beautiful petals arrive in Hong Kong just 48 hours after being picked to ensure optimal freshness.

The menu begins with the seductive *Oyster 52°C*, combining a premium Belon oyster with luscious top-tier blue lobster roe and mini verbena flowers. The *Scallops “Toast Skagen”* involves layers of sliced fennel-seared Hokkaido scallops, brined fennel and succulent poached scallops mixed in sour cream on home-baked cumin bread, topped with phlox flowers symbolising harmony and sweet dreams. Next is the *Hot-Smoked Baby Vendaces*, a delicate freshwater white fish from Finland that takes on a subtle smoky flavour. Paired with pickled pumpkin, cucumber puree, a dash of smoked trout roe and cornflowers that symbolise good fortune for the lovebirds.
